- Purchase a reloadable card for \$5. Your card has a \$5 balance so this card does not cost you anything!
- Purchase cards for other family members (grandparents, aunts, uncles) neighbors or friends.
- Have the cashier add funds to the card before grocery scanning begins. You may use cash, check, debit or credit card to add the additional funds.
- Purchasing Gas: Have the cashier add funds to the card before you use the card at the pump to pay for your gas.
- You will still receive your cash back or airline miles if you reload your card with a credit card.
- Exempt purchases: Western Union, Money Orders, Ticket Master, Postage Stamps, Lottery Tickets and other King Soopers Gift Cards.
- The funds on the card do not expire.
- Cards with a zero balance for 90 days will become inactive. Solution: buy a new card through the Explorer Post.
- Lost Cards: The balance from lost card can be transferred to a new card purchased through the Explorer Post.
- Cards purchased directly from King Soopers do not participate in this fundraiser.
